IT'S TREASURE TIME

The six other pieces of the map to the Lost Treasure of McDuck are scattered across the globe. Hidden in treasure chests and behind secret walls, they will lead Scrooge to treasure if he's smart enough to find them all.

As Scrooge makes his way through each land he will encounter lots of creepy critters which will try to block in his way. Pogo jump on their heads to bounce them off the screen, but don't let them touch Scrooge or he will lose one ball off his health meter. If you let all of Scrooge's health disappear, he will lose one of his chances. After Scrooge loses all of his chances, the quest for the Lost Treasure of McDuck will be over.

IT'S TREASURE TIME CONT.

Each of the strange and mysterious lands Scrooge visits has an ancient and valuable treasure that is guarded by a Treasure Keeper. If Scrooge is lucky enough to find the Hall of the Treasure Keeper, he can earn the treasure by pogo jumping off his head until he disappears. If he is successful, Scrooge will earn the special treasure and then zoom back to Duckberg for his next adventure.

THE ITEM STORE
